

## Privacy Statement

This statement applies to the privacy practices related to this site - [www.wise4biz.com](http://www.wise4biz.com).

Wise4Biz respects the right to privacy and does not collect on this site any personal information about its visitors without your consent. Any personal data you provide to us will be treated with the guarantees of security and confidentiality required by the General Regulation on Data Protection.

### Collection and use of personal data

Wise4Biz does not collect your personal information on this site, unless you voluntarily provide it when you use the contact form to address a request for information. The information you provide us by this means will only be used by Wise4Biz for the response and commercial relationship that may arise.

### Collection and use of technical information

This site uses a session cookie where only technical information related to the visits to this site is registered at the server level of the web page. No personal information is collected that can be used to identify visitors to the site. The technical information will be used only for statistical purposes regarding the use of the website.
